

FALL ROSTER POLICY/ PROCEDURES
(FALL SANCTIONS ONLY)

NSA has for a few years now adopted a Fall only roster policy. NSA left it up to the State Directors if they want to allow Fall Rosters/Teams. Virginia policy is as follows:

1. Teams are allowed a maximum of four (4) players in the Fall that are required to move up in the Spring, on their roster. The following procedures must be adhered to
2. A team with players on their roster that must move up cannot exceed 11 players on their team. The intent is that a team needs these players to have enough to play in NSA tournaments in the fall.
3. Guest players are allowed as part of the above roster requirement if approved by tournament director. Follow guest player policy and add these players to a separate guest player roster to turn in.
4. Team must complete a Guest /Fall Roster that can be downloaded from VirginiaNSA.com and MUST be typed no handwritten rosters allowed. Players that are in this category cannot be added to your online roster due to birth date.
5. TEAMS in this category MUST have a FALL ONLY Sanction number

Again, the intent is to allow a team to have enough players to participate in the fall.

FALL SEASON TEAM SANCTION **ONLY**

Important: Please be sure this is the type of team sanction you want. Fall teams will be eligible to participate between August 5th, 2017 and December 31, 2017 but will no longer be able to participate in tournaments after that time. Their team points will be accumulated and recorded up until December 31st, 2015 ONLY and then the team will be deactivated and the players on the roster automatically released.

Fall Roster teams are **NON-QUALIFYING TEAMS** established to allow players to continue to participate in the same age group through December 31st. Some states may **NOT ALLOW FALL ROSTERS**, so contact your State Director.

Fall Roster teams are only allowed to participate from August 5th to December 31st. The team will **AUTOMATICALLY BE DISBANDED** on December 31st. The team will need to re-sanction to a qualifying roster to participate between January 1st and July 31st.
